The Trumbull 100 spearheaded the construction of the Trumbull County Veterans' Memorial, pictured above. Several Trumbull 100 members served on the project's oversight committee. Various local businesses, community groups and area construction unions spent many volunteer hours and donated in-kind services to complete this project. Nearly \$500,000 was raised through the sale of bricks (nearly 3,000), pavers (over 500) and sponsorships to purchase the bronze WWII statue and building materials to complete the project. The memorial was dedicated on November 11, 2008 and stands in downtown Warren to honor all veterans.

A Few Accomplishments

September 2006:

The funding for the Goddess of Speed fiber-glass project was secured. A wi-fi study begins for installation of wireless access points in downtown Warren.

September 2007:

The \$18,000 funding for the Kent State University Trumbull Campus Grant Center was accomplished.

April 2008:

The Trumbull 100 assisted in raising \$500,000 for the completion of the Trumbull County Veterans' Memorial.

March 2009:

Approved an additional \$43,116 to continue the grant center at Kent State Trumbull Campus. The center continues to be successful in bringing foundation grants to local non-profits in our county.

June 2009:

Burbank Park improvements encouraged over 500 disadvantaged youth to follow their dreams.

November 2009:

We are diligently working with the Trumbull County Community Foundation, the Fund for the Economic Future of Northeast Ohio and Congressman Tim Ryan to bring economic development through advanced energy initiatives to Trumbull County.

Trumbull County Courthouse

OUR MISSION:

To embrace and facilitate opportunities by providing resources and leadership to projects that enhance the quality of life for the citizens of Trumbull County.
